

	ID	URL	Endpage	Description
Authentication	1	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Input for entering user name to login
	2	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Input for entering password
	3	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Button for logging in, checking if the credentials match with the data used in the authentication microservice database for the specific user
	4	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for building GET/POST operation buttons
	5	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Label for building form
	6	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Button for adding a new building
	7	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Button for updating building information
	8	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Button for deleting a building
	9	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for building menu items
	10	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Clear all filters selected for search the buildings
Building	11	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Filter box to input the building ID that should be looked up
	12	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Display a drop-down menu that allows the user to select the building address for writing the address in a search box or select by district and municipality
	13	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons to input the Superscript of the building the structure should follow
	14	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for building objects
	15	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Button for displaying information of Buildings. The amount of buttons displayed in the form is dependent on the buildings that have been filtered with FilterBuilding()
	16	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Insert number of buttons are shown
	17	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for the building objects
	18	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Displaying information of a clicked building / entering a form to input data to add a new building by addBuilding(), update a building by updateBuilding() or delete a building by deleteBuilding()
	19	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Building ID input box for addBuilding(), updateBuilding() or deleteBuilding() operations
	20	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Building Address input box for addBuilding() and updateBuilding() operations
Jobs	21	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Building Supervisor ID input box for addBuilding(), updateBuilding() operations
	22	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons to confirm the operations addBuilding(), updateBuilding() and deleteBuilding()
	23	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons to view all the input boxes for addBuilding(), updateBuilding() or deleteBuilding() operations
	24	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for user GET/POST operation buttons
	25	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Label for jobs form
	26	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Button for adding a new job
	27	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Button for updating job information
	28	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Button for deleting a job
	29	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for jobs menu items
	30	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for selecting jobs party with the selected filters
Users	31	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Clear all filters selected for search the jobs
	32	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Filter box to input the job ID that should be looked up
	33	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Display a drop-down menu that allows the user to select the wanted job type to query
	34	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Display a drop-down filter menu that allows to select the wanted status to query
	35	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Display a drop-down filter menu that allows a column where the start and end date/time can be selected
	36	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Display a drop-down filter menu that allows to input the number of the building form a list box, and then the wanted categories of the building menu attribute
	37	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons to display the open report jobs
	38	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Label for the display of open report jobs. The amount of buttons displayed in the open jobs section is dependent on the jobs that have been filtered with FilterJobs()
	39	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for the display of open report jobs
	40	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ScheduledJobs. The amount of buttons displayed in the scheduled jobs section is dependent on the jobs that have been filtered with FilterJobs()
Users	41	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Insert number of Scheduled jobs buttons
	42	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons to display the open report jobs
	43	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Label for the display of open report jobs. The amount of buttons displayed in the open jobs section is dependent on the jobs that have been filtered with FilterJobs()
	44	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for the display of open report jobs
	45	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of OpeningsJobs. The amount of buttons displayed in the openings jobs section is dependent on the jobs that have been filtered with FilterJobs()
	46	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Insert number of Openings jobs buttons
	47	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons to display the open jobs reports
	48	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Label for the display of open jobs reports. The amount of buttons displayed in the open jobs section is dependent on the jobs that have been filtered with FilterJobs()
	49	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for the display of open jobs reports
	50	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
Users	51	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Insert number of Closed jobs buttons
	52	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons to confirm the operations addBuilding(), updateBuilding() and deleteBuilding()
	53	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons to view all the input boxes for addBuilding(), updateBuilding() or deleteBuilding() operations
	54	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for user GET/POST operation buttons
	55	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Label for the display of closed jobs buttons
	56	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	57	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for the display of closed jobs buttons
	58	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	59	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	60	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
Users	61	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	62	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	63	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	64	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	65	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	66	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	67	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	68	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	69	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	70	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
Users	71	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	72	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	73	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	74	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	75	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	76	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	77	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	78	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	79	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	80	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
Users	81	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	82	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	83	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	84	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	85	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	86	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	87	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	88	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	89	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	90	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
Users	91	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	92	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	93	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	94	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	95	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	96	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	97	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	98	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	99	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
	100	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
Users	101	rg-modul/vpn/authenticate	rg-modul/vpn/authenticate	Buttons for displaying information of ClosedJobs. The amount of buttons displayed in the closed jobs section is dependent on the jobs that have been filtered with FilterJobs()
